

THE MID-SOUTH REGIONAL PICKLEBALL TOURNAMENT
POSTPONED

April 24, 2008

To Whom It May Concern:

On behalf of the Mid-South Regional Pickleball Tournament Committee, it is with regret that we must postpone the Mid-South Regional Pickleball Tournament during the 2008 calendar year. It is the consensus of the committee that because of time lines and other factors out of our control we could not produce the top-quality Pickleball tournament that we hoped for.

Rest assured that we very much intend to host the Mid-South Regional Pickleball Tournament in 2009 and will begin the planning for that event very soon. We hope to have more information regarding the 2009 tournament in the coming months. Our committee is dedicated to organizing a first-class experience in pickleball and the additional time will help us to accomplish this goal.

Thank you very much for the interest you have all shown in this event. As information for the 2009 tournament develops we will make it available to you. Check on our web-site (www.lafayettepickleball.net) for updates.
